Straddle up on my face (repeat 3xs)

Straddle.

When you hop on my face, you'll be all over the place,  
just don't go to fast cause I want it to last, I might not  
have cash but boy do I have a stache, the moment has  
arrived it's called slip & slide.

(chorus)

It's your mustache baby, it's drive, driving me crazy  
(repeat)

Straddle up on my face, spread em' like you're giving  
birth, show me what your pussy's worth, spread em'!  
Wrap your hips above my lips lets go for a ride,  
let's take a trip right between your thighs, drive threw  
your cush, push in your bush, grab on your trunk, while  
I'm eating on your junk, let's start a race as you're  
sitting on my face, pull up on my bed then give me  
....uhhh

(repeat chorus)

Use my face as a car, it'll take you real far, don't be  
afraid, unless you don't wanna laid, press the gas,  
make it go fast,  
do it right while I squeeze your ass. Push the pedal to  
the fucken metal, I want some pussy cause it's nice and  
juicy, I'm lean, I'm mean, I'm a crazy machine, I've  
done every slut in the whole entire scene. You know  
what, there's no sweat off my balls, I may be short but  
my dick is tall.

That's right bitches, hop on my thing, I'm luigi you  
should ride my ding-a-ling.

I'm the fucken king

I'm the fucken king

I'm the fucken king

king.

(Repeat chorus)

Bumpin' it Bumpin' it Bumpin' it good  
shift back and forth you'll be cuming for some more  
Ride this face just like you should, ride it like a horse

I know you could....I know you could, I know you could,  
I know I Know I know you could.I know you could, I know  
you could,  
I know I Know I know you could.  
Bumpin' it Bumpin' it Bumpin' it good  
shift back and forth you'll be cuming for some more  
Ride this face just like you should, ride it like a horse  
I know you could....I know you could, I know you could,  
I know I Know I know you could.I know you could, I know  
you could,  
I know I Know I know you could.  
Bumpin' it Bumpin' it Bumpin' it good  
shift back and forth you'll be cuming for some more  
Ride this face just like you should, ride it like a horse  
I know you could
