He likes little girls, in school girl clothes, he parks at
private
schools, and wacks till he explodes, he drives around
naked hoping someone takes it, and if they do he'll pee
on you, bitch open up and taste it!

Chorus:

His name is Robby
he's got a bad hobby
you'll have no clue he'll pee on you
and then you'll be sorry (2X)

I love a man with power
to give me a golden shower
fuck the soap your pee is dope
I blossom like a flower :) (2X)

Water/ Sports

On your mark, get set, blow, bitch hurry up cause I've
got to go, I've got to drive around some more and go
pee on another whore.

Give me insolation, with your installation, use full
concentration
for your urination (2X)

I love a man with power
to give me a golden shower
fuck the soap
your pee is dope
I blossom like a flower :) (2X)

Water /Sports

He likes to play sports, I'm not talking about baseball
courts
He likes to play sports
He likes to play water sports
