*[Verse 1]*

And me and she we trampoose a lot  
Several mornings she shampoos my locks  
Always have my back she stand true to dat  
Real type of loving, thank you for that  
Yow...run barefoot without no shoes and socks  
Cause she keep herself clean mi nah go catch no rash  
And she love me for real mi nuh haffi have no cash  
And any little thing from mi splish she splash  
Yow...all this blinging it's like you forgot  
Use cheddar as the bait den you recruit a rat  
So we listen couple speech of Martin Luther chat  
Dennis Brown, Bob Marley and some Super Cat  
Yow...seem like she upside the duko shop  
Cause she don't have a scratch it's only beautiful spot  
When one duty start is when one duty stop  
One nine to five, one five to twelve o'clock  
You see me

*[Chorus: Bobby Brown]*

Beautiful  
Here we go again  
My love, you know  
I will never let you go  
My love

*[Verse 2]*

And I remember when we met and we began dating  
And everything was copacet' and we began mating  
And then the way mi love her good, she gimme don ratings  
Because mi style dem plentiful and ah nuh one way thing  
And she get belly full and ah nuh pot scrapings  
And the closer we become the more she gravitating  
Until we buckle down and there is no escaping  
Now it typically became an everyday thing

Regularly, physically communicating sexually,  
scientifically penetrating  
Until she start spiritually resonating  
Ah so mi know she real and seh she ah nuh play thing  
She is the only Queen, the King is designating  
And so mi seal the deal I am negotiating  
I know it's kinda deep but keep on concentrating  
Cause Jazzy lay di beat and I am clearly stating

*[Chorus]*
