2008... Watch it! Yeaaaaah

Yo Mariah Carey along side Gong Marley Huh

Natty... Check it... Pepper!

(Y'all know what this is)

[Mariah Carey]

Can't get him outta my mind

Can't explain it but it's somethin 'bout him

Makin me hot

Like a motor revvin' over and over

It don't stop

He cruised beside me now

I'm flyin, drivin'

Through yellow lights

I'm ignorin' every sign of caution that they provide

Driver's Education 101

Slipped out of my mind

I need me a caddy

With some cruise control

No, no, no

I've been told so many sagas

He brings the drama, six baby mamas

But uh ooh

I can't resist him

Just want to kiss him

I need cruise control

Might need to go slow, I don't know

Why I ease up on the brake

Every time I see his face

I'm outta control, I... I don't know

How to stay up in my lane

Every day and night

He's cruisin' through my brain

Wherever I go he be cruisin'

Turn to the right ooh he so smooth with it

Deep down inside don't want to lose him

He already know I'm willin' to go

Gotta get on cruise control

C-R-U-I-S-E control

C-R-U-I-S-E control

C-R-U-I-S-E control

C-R-U-I-S-E control

Can't nobody, can't nobody tell me nothin'
When he comes in to view
Cause he's the flyest ting when he be cruisin'
On me avenue
Then da door open, de gals 'pon de block
They be hopin', to rob the clock me say no man
Step up step up bottle broken
Think I'm jokin'?

I've been told so many sagas
He brings the drama, six baby mamas
But uh ooh
I can't resist him
Just want to kiss him
I need cruise control

Might need to go slow, I don't know
Why I ease up on the brake
Every time I see his face
I'm outta control, I... I don't know
How to stay up in my lane
Every day and night
He's cruisin' through my brain

Wherever I go he be cruisin'
Turn to the right ooh he so smooth with it
Deep down inside don't want to lose him
He already know I'm willin' to go
Gotta get on cruise control

[Damian Marley]

You put your hand in cruise control
And you deny me if you want
And you will starve yourself of love
If you don't speed and break the law
You can't get no speeding ticket
On the highway to my heart
And it might be a rocky road
And you can exit if you want(Why you always...)
Look at life just like a pessimist
You already like a wife up in my premises
And right ya now you cruise control it is my nemesis
Just come again and stop and start just like a genesis

[Mariah Carey]
