em nama nama one
srilla to the gong
original
ear me now
a
well baby love you ever prep
an fool a class an wen you a step
start supple un ele ket
bumper firm en ever set
ever mukkule a mikkule mek
ellkule jukkule ever..
I say I say I say
so tell a gal

dem neve mek it
dey neva stan a chance
you step up in a club
woman
you conquer every dance
you image it turn up
a say your style is so advance
so nuff gal haffa a roll fa de hill
like avalance

well dem neve mek it
dey neva stan a chance
you step up in da club
woman
you conquer ever dance
you image it turn up
a say your style is so advance
so nuff gal haffa a roll fa de hill

you ever preppi
woman you full of class
you something natural
a gal a buy a body parts
a she go a road she lost
a wonder how much it cost
an run down taxi cab
woman you have your boarding pass
an a fe get in a ya Lincoln

your indicator blinkin
well tek some dutty skinin
you wonder what she drinking
it affect the way she thinking
an now her ship is sinking
you a model in a mink in
and your winking

tell dem dis
dem couldnt mek it
dey neva stan a chance
you step up in da club
woman
you conquer ever dance
you image it turn up
a say your style is so advance
so nuff gal haffa a roll fa de hill
like avalance
well dem neve mek it
dey neva stan a chance
you step up in da club
woman
you conquer ever dance
you image it turn up
a say your style is so advance
so nuff gal haffa a roll fa de hill

you say peace be on to all
you tall a rasta a um alimkum
she doesn't have the wisdom
to realize there is none
when it comes to competition
of de queen in a de kingdom
miscarry go bring come
well only get the lignum
a grudge you fa your income
oh pick up wa you fling down
you closet big like windom
you fly out an you bring down
your picture pin up while
dem pin down
huh
so tell a gal
dem neve mek it
dey neva stan a chance
you step up in da club
woman
you conquer ever dance
you image it turn up
a say your style is so advance
so nuff fa gal haffa roll fa de hill

like avalance

well dem neve mek it
dey neva stan a chance
you step up in da club
woman
you conquer ever dance
you image it turn up
a say your style is so advance
so nuff fa gal haffa roll fa de hill

oh so she's so sloppy
oh she's so chatty chatty
she need to mind her business
cause shes fast like Kawasaki
she bleach out and look cocky
a skin na look a cocky
could of said she llok like duppy
but a duppy dat a mukkrey
a carry jockey
nutting she do na shock me
you cashy cashy
you carry de atashi
you wissi and you wassi
woman you ever flashy
you in every thanks
and earth is highly bless
tell dem dis
dem neve mek it
dey neva stan a chance
you step up in da club
woman
you conquer ever dance
you image it turn up
a say your style is so advance
so nuff fa gal haffa roll fa de hill
like avalance

well dem neve mek it
dey neva stan a chance
you step up in da club
woman
you conquer ever dance
you image it turn up
a say your style is so advance
so nuff fa gal haffa roll fa de hill
