Julie, you are the one  
Truly, the only one I love the best  
Julie, why did you break my heart?

Well I saw you in the morning Julie baby  
Why did we break apart  
I came back in the evening Julie baby  
To see if you had a change of heart

Well, I'm saying  
Julie, you are the one I love the best  
Truly, the only one for me  
Julie, why did you run away?

Lord, a no one thing deh 'pon Jr. Gong mind  
GOD come fus the woman dem next in line  
A no one thing deh 'pon the Raggamuffin man mind  
GOD come fus the woman dem next in line  
Now me seh favorite exercise is exercising with spine  
Work your body, work your body, keep that in line  
Treat your woman right and you will stand out in her  
mind  
Come down Mr. Muffin you is one of kind

I'm saying  
Julie, you are the one  
Truly, the only one  
Julie, why did you run away?

I saw you in the morning Julie baby  
Why did you break my heart  
I came back in the evening Julie baby  
You did not change your heart

I'm saying  
Julie, you are the one I love the best  
Truly, the only one  
Julie, why did you run away?

Lord, a no one thing deh 'pon Jr. Gong mind  
GOD come fus the woman dem next in line  
A no one thing deh 'pon the muffin man mind

GOD come fus the woman dem...  
Special dedication to the one girl of mine  
Could be Patsy, Susie or the one Caroline  
Work your body, work your body, keep it in line  
Come down Raggamuffin come give them the punch  
line

I'm saying  
Julie, you are the one I love the best  
Truly, the only one for me  
Julie, why did you run away?
