[Nas - Speaking:]

All I do is stay focused looking straight forward at the world and beyond.

I feel people pulling me down.

I feel some pulling me up I can't get stuck.

I just keep moving forward.

I got places to go man. Let's go...

[CHORUS 1x - Damian Marley]

When the Armageddon's dark and dread

A lot of weak are to weep and moan

Only the strong will continue

do you have it in you?

Come we've got a journey to go

And when the battle get sour and dread

A lot of weak are to wither and moan

Only the strong will continue

I know you have it in you

I know you have it in you

[Damian Marley]

Hey.. The victory's found in truth,

like innocence found in youth

Self defeat is your own dispute

and man you put yourself in a ya own shoes Either

you're winning or losing

don't you get it confused

Tay you starring in a ya own movie

playing of a role you choose so

Stand up and fight if you know say you're right and no

you won't ever fail

Tipping the scale and the wind shall prevail and the

boat shall forever sail

(hey) There ain't no stopping or cruising

even when you're battered and bruised

Hold gun all di sprinklers and he tell him bust my gat

tougher than Zeus

[CHORUS 1x - Damian Marley]

When the Armageddon's dark and dread

A lot of weak are to weep and moan

Only the strong will continue

do you have it in you?  
Come we've got a journey to go  
And when the battle get sour and dread  
A lot of weak are to wither and moan  
Only the strong will continue  
I know you have it in you  
I know you have it in you

[Nas]

As I walk through the valley of the shadow of death  
New York to Cali for the money, power, respect  
It's a journey, some'll get left behind coz in life you  
cannot press rewind  
Get it right.  
You only have one first chance to make one first  
impression that lasts a lifetime  
Reputations to proceed itself do you believe in hell?  
Babylon, greed for wealth Do you deceive yourself and  
let your ego swell  
And disregard those who most need your help  
Thick skinned, the dark won't take my soul Survived  
spiritual wars, see my welts  
And the evils felt but faith is stronger  
I saw grown men fall when I was a youngster  
But I clenched my fist  
Ready to go against whoever Tie my Timb's and rise in  
the end

[CHORUS 1x - Damian Marley]

When the Armageddon's dark and dread  
A lot of weak are to weep and moan  
Only the strong will continue  
do you have it in you?  
Come we've got a journey to go  
And when the battle get sour and dread  
A lot of weak are to wither and moan  
Only the strong will continue  
I know you have it in you  
I know you have it in you

[Damian Marley]

No man live forever  
but never say never  
Every goodie want better,  
just be a go getter  
And always be clever  
in every endeavour  
Coz drastic time call for drastic measure  
Your girl try to pleasure  
from ya neighbours things severe  
The land and the treasure

work for whatever  
Jah say don't be a beggar,  
the alpha omega  
Will bless every soul no matter  
which name you prefer  
The immortal stepper  
believe in every skin  
no matter which colour they are  
Will never let you down no matter  
which kind of weather  
You're destined to rise like the son of Rebecca don't  
stop for a second  
Every man reckon  
it sure would be good to be there  
Whether Zion or Mecca  
when the gates are finally closed  
And the saints go marching in

[CHORUS 2x - Damian Marley]  
When the Armageddon's dark and dread  
A lot of weak are to weep and moan  
Only the strong will continue  
do you have it in you?  
Come we've got a journey to go  
And when the battle get sour and dread  
A lot of weak are to wither and moan  
Only the strong will continue  
I know you have it in you  
I know you have it in you

[Nas - Talk:]  
As the weak shall fall to the sideline  
I get my kid  
I protect mine with a tech 9  
Haters want me to side with em  
Gangsters want me to ride with em  
Ladies want me to make brides with em  
I'm on a low I'm in the zone every evening  
I'm in the zone every evening walk through the valley of  
death  
I'm still breathing  
Give a bit of life to your ethylene  
Thief in the night like  
America seen  
Coming through in the zone every evening  
In the zone every evening  
I know the strong will survive
