*[Indiscernable voice message]*

Tra la la...Tra la la...

La la la...la la

*[Verse 1]*

Hey!

Vexation of spirit is a waste of time

Negative thinking, don't you waste your thoughts

Verbal conflict is a waste of word

Physical conflict is a waste of flesh

People will always be who they want

And that's what really makes the world go round

Unconditional love is scarce

("Till shiloh I shall not forsake thee")

Now and forever more

Forever more, forever more...

YEAH!

*[Chorus]*

You see, you gave precious life to me

So I live my life for you...You...

You see, you've always been there for me

And so i'll be there for you...You...

("Till shiloh I shall not forsake thee")

*[Verse 2]*

Bless your eyes and may your days be long

May you rise on the morning when His kingdom come

Good deeds aren't remembered in the hearts of men

(.....Oooooooh)

Bless your eyes and may your dreams come true

May you rise on the morning when Jah kingdom come

Good deeds aren't remembered in the hearts of men

("Till shiloh I shall not forsake thee")

Now and forever more

Forever more...

*[Chorus]*

You see, you've always had faith in me

And so i'll have faith in you...You...

You've always been there for me  
And so i'll be there for you...You...

Hey!

You've always been good to me  
Even when i'm not good to myself  
You've always been fair to me  
Even when i'm not fair to myself  
You've always done right by me  
So I will do right by you...You...  
("Till shiloh I shall not forsake thee")  
You've always been there for me, mama  
So i'll be there for you, papa  
You've always been fair to me, brother  
And so i'll be fair to you, sister  
You've always had faith in me  
And so i'll have faith in you...You..

You've always been good to me  
You've always been to kind to me  
You've always stood up for me  
You've always been there for me  
You've always been...oooooh  
You've always been...oooooh  
You always did care for me...yeh  
You always did share with me...yeh  
You always been true to me  
And so i'll be true to you...
