Yeah
Yes mi lion!
Always look on teh brighter side of life
You know, nuh must!

Now
Don't you ever give up
Don't you ever give in
Don't you ever give up
Don't you ever give in
Don't you ever give up
Don't you ever give in
We will have our way someday

Don't you ever "dutty"
'Cause a better you clean
Hail up king selassie plus omega the queen
Don't you ever give up
Don't you ever give in
Cause I...

CHORUS
I know we're gonna make it
It's not too late
We're gonna make it
Yeah, yes I know we're gonna make it
It's not too late
We're gonna make it
Yeah

Searching for the light because you're living in the dark
You must realize that jah was with you from the start
Glorify his works
And please be upfull in your thoughts
Even thouth the ones who wish you well are few and far
apart
People never thought that we would make it thru so far
Speak of love jah children and be proud of who you are
Keep on concentrating on the brighter side of life
Don't let them get you down
Cause I...

CHORUS

I know we're gonna make it
It's not too late
We're gonna make it
Yeah, yes I know we're gonna make it
It's not too late
Rasta children gonna make it
Ey!

If your brother weak
Then you must help him if you're strong
Love him for the right
And do not judge him for the wrong
If your sister lost then you must help her find her way
She might just be the one to have to help you out
someday
Untied we will stand up or divided we will fall
Love your one another
For the father loves us all
Keep onconcentrating on the brighter side of life
Don't let them get you down
Cause I...

CHORUS

I know we're gonna make it
It's not too late
We're gonna make it
Yeah, yes I know we're gonna make it
It's not too late
Rasta children gonna make it
Ey!

We will always share
Nuh care how meager the meal
Always speak the truth
Nuh care how ego wi' feel
I and I a root nuh care weh people believe
Don't you ever give up
Don't you ever give in
Seed that we will sew will multiply in the field
Some a speak the word and some are doing the deeds
Don't you ever give up
Don't you ever give in
Cause I...

CHORUS

I know we're gonna make it
It's not too late, sister love
Rasta children gonna make it
Yeah, yes I know
We're gonna make it (2x)

Rasta children gonna make it
Jah jah children gonna make it
Mankind is gonna make it
Womankind is gonna make it
Human beings are gonna make it
You and me, we're gonna make it
