OoooOOOOOOOOOH OH YEAH YEAH

BRANDON: WOOO!

Every littleÂ...
Every little step I takeÂ...
Every littleÂ...
Every little step I takeÂ...

I can't sleep at night
I toss and turn
Listen for the telephone
When I get your call
I'm all choked up
Can't believe you called my home
And as a matter of fact
It blows my mind

You would even talk to me
Because a boy like you
Is like a dream come true,
A real life fantasy

BRANDON:

No matter what your friends try to tell you
We were meant to fall in love
And we will be together
Any kind of weather
It's like that, it's like that

Every little step I take
You will be there
Every little step I make
We'll be together
Every little step I take
You will be there
Every little step I make
We'll be together

I can't sleep at night
I toss and turn

Listen for the telephone
When I get your call
I'm all choked up
Can't believe you called my home
And as a matter of fact
It blows my mind

You would even talk to me
Because a boy like you
Is like a dream come true,
A real life fantasyÂ...

BRANDON:

No matter what your friends try to tell you
We were meant to fall in love
And we will be together
Any kind of weather

It's like that, it's like that

Every little step I take
You will be there
Every little step I make
We'll be together
Every little step I take
You will be there
Every little step I make
We'll be together

Every littleÂ...
Every little step I take
Every littleÂ...
Every little step I take
Every littleÂ...
Every little step I take

Every littleÂ...
Every little step I take

BRANDON:

No matter what your friends try and tell you
We were meant to fall in love
And we will be together
Any kind of weather..
It's like that, it's like that
