snuggles: oh yeah, all you people out there tonight all the lonely hearts I want you to know something, I could do you I could do yo sis, yo mama and your guinea pigs I could do all o you but Today before we get down to anythin I wanna tell you a little somethin I been waitin for me and you to talk it over Pet me get lucky like a glover ah- yeah snuggles the bunny, listen to da pit steppin in.. Pit: Yes, I'm da pit, came to open up yo lit, lady came to sex you up, came to sit on top o you baby, n if you don't mind I give you love and protection, n if you don't mind I treat yo as fine switchwatchin, dem beats patcherpucker you know we got's da treats to heal yo soul wow, bowls bowl's life's like a volcano's opening up, I stick some in, make dat sweet juice stop.. And at last, I came to rub yo ass fast now and those tittis make me flop and bounce wow you know I came to say goodbye, came to announce to rock some this sweet slimebody bounce wanna do you n yo sister too, n what about you little nephew and your mama sue, oh shit, I forgot about that, no matter, tell'em I said goodbye, this is da pit, yo and dat ain't no lie
