Snuggles:

It's takes a puppet regime
To bring down the rap
Publican money machine
Cash-crop evil pops it corny
Corporate cells be countin' genes
I'm seeing plots of sellery
Got bouncing beans, mashed money
In this cultural agri_clash
Cows bite the grass like
It's covered in honey. Snuggles
The bunny - \$unny atlast!
Farmer gotta 45 - that's a rabbit
On the runny path, fresh greens
In my tummy, yummy yummy: cash!
What you don't think that's funny?
Do the math: 45 revolutions per minute
And I'm still playing russian roulette
With the spinage, aftermath:
My seeds of thought are the limit,
Plus there's no bullet proofing
To me spitting an image! guess what?
Jack-rabbit's back, so take that
On this 24 carat-track, I'm a 24 carrot-mac that's
Bringing salad back!

Chorus:

You wanna see the sunshine?
I'm giving you a 1000 rainy days
You wanna hear some punch lines?
Now you're living in a tragedy
Well it's all funny when you're in the money but the
Money it never pays your way with Mephistopheles

Maloke:

Ruinin the earth ruinin the cities but gold in a nugget
Sack
The earth is a treasure box yuo might not be able to be
Payin it back
50 cent might have all the money--but he can not show

His face
Whenever he leaves his home behind he's like in a zoo
in
A caddillac cage
Thers another side to what you think you own you
better
Check it out cause

Them demons is always hungry and their voices might
Turn loud!

Wizard:

What the hell am I doing here?
I thought I was checking in to a hotel
No, I'm going to hell
Took a look into my heart and decided
To situate my apartment right there inside the darkest
Part
I'm gonna get rich a jet-set snitch puttin' on the c-
Funk at the Ritz
Yeah, me: a frog prince charming your pants off
You know it's a crime against nature but you just can't
Stop
And I won't stop 'til I cop a helicopter for a half a
Mil
Got my sights locked on the bills house in the hills
With the swimming pool filled with the drool of all the
Fools that made fun of me in school

Chorus:

You wanna see the sunshine?
I'm giving you a 1000 rainy days
You wanna hear some punch lines?
Now you're living in a tragedy
Well it's all funny when you're in the money but the
Money it never pays your way with Mephistopheles

THE PUPPET REGIME IS TAKING OVER

Dogga:
Puppet regime
Never just living the dream
For the green
One hell of a scheme

Puppet regime
Fraggles in your limozine
Illuminati on your t.v. screen

Taking over!

Chorus:

You wanna see the sunshine?
I'm giving you a 1000 rainy days
You wanna hear some punch lines?
Now you're living in a tragedy
Well it's all funny when you're in the money but the
Money it never pays your way with Mephistopheles
