Planet booty Hills go up, valley go down Cant believe
my eyes look at the size a huge crack in the mountain
side wipidi wild water rafting ride the pull ist stong and
my heart just pumps bunny on the path explorer pimp
to find the secret of the mountain limbs give me that
feeling of goose pimperlies bramerry rock nippa
nippa nipplerlees pearls of sweat run down, down the
cheeks i meant a little steam meets with the creek
salty crystal with da sugar-hill whistle honey-bee make
my mind sizzle, lookin for da cake hole drizle drizle I
feel one with the whole of the cookoo monka mountain
fold (x2) Frogga: Lick dem freaks right off da stone, on
da path we set up, gonna bring you home, where you
fit, where you belong da cocoomanka stick back on da
thrown, Where da rivers is thick, sick slicky tunes from
down below Wildly da earth is rising high and low, IÂ've
to hold up, whereÂ's this pumpin volcano, but letÂ's
keep da party pumpin pano-rama wide screen wicked
landscapes like never seen before, da doorkeepers
sympathetic I think sheÂ's gonna let me in tele-phatic
moods for me too oh snout I toast it blue for you
another time yeah Sounds of sounds-slime-oblivion
yeah hm, weÂ's givin Â'emÂ... Chorus: The
cookoomonka mountain fold Callin Planet booty Secret
curves are being told Callin Planet booty Valleys filled
with juice of life We request a landing Creatures smirk
and ways go wind We came to explore Bloke: I be da
bloke, travelin da forest stickin my nose in da birds
nest Torchlike I stick on my candle I chew , the ass full
of paddles Bumbleblees flyin all around brother
monkey help me now Knock knock this must be barby
land. Pewda, make up, no itÂ's sand. This feels like
skin that IÂ'm trading on An an itÂ's Just the mountain
run ItÂ's just the mountain run Which mothapucka for
now weÂ's definatly strowlin The sound of the earth is
wobbelin and howlin The earth, the land on da planet
booty is fat yo Idea Â's take another step yo to ualaooo
chorus
