"Wait Till You Come Back Again"

I've been waiting for you
I see your face but you are not here
I'm searching for answers, something to heal
The pain that I bare
Well I try to have faith,
Faith in all that you say, well...
I wait till you come back again

I've been waiting to be
With the one who wants to be loved
Wrap my heart, place his soul in this blanket,
Loves what it takes, call it a home
Well to have and to hold and unselfishly own
I wait till you come back again...

Oh oh oh oh...
