You don't want to be the same  
But all the other ships  
Have sailed away  
You can tell yourself  
It's still okay  
If it's illusions  
You're looking for

You can wash yourself all day  
You can't remove the stains of what you saw  
You can turn and hide or walk away  
But there's no running from who you are

I don't want to get caught  
And blown away  
Broken down  
And torn apart  
Like dogs, like dogs in the rain

All eyes look to the skies again  
We've seen what's been sent  
But you're all safely tucked up in bed  
It's not our punishment  
Oh they're not outside  
No they're not outside  
Oh yeah

I don't want to get caught or blown away  
Broken down and set upon  
Like dogs, like dogs in the rain

And the sun comes out again  
Yes the sun comes out again
