I'm almost ready  
To let you know just how bad I feel  
I'm almost ready  
To let you loose and find another heart to steal

My friends tell me that they see you  
Runnin around all over town  
Please don't make me out to be your fool  
Please don't make me out a clown

I don't know who you think you're foolin'  
I hope you don't think that it's me  
It's plain to see that you don't love me anymore  
I'll say goodbye and you'll be free

I'm almost ready  
To let you know just how bad I feel  
I'm almost ready  
To let you loose and find another heart to steal

Oh to let you loose and find another heart to steal  
Oh to let you loose and find another heart to steal
