Maybe this old town
Has gotten way too small
Maybe it's the scenery
I need a change that's all

I just know I need here
In my rear-view mirror
Before I climb a wall

I might hop a plane down to Cozumel
Soak up a little sun
I might plant my feet on some sandy beach
Man that could be fun
I just know I will be somewhere else
Before this day is done
I don't know where I'm running to
But I know where I'm running from

Gonna take this Pontiac
And fill it up with gas
Point it down a straight road
And drive it way too fast

Ye-ah

I might hop a plane down to Cozumel
Soak up a little sun
I might plant my feet on some sandy beach
Man that could be fun
I just know I will be somewhere else
Before this day is done
I don't know where I'm running to
But I know where I'm running from

It ain't about a job
It ain't about a girl
My heart didn't get broke
But there's a lot to see in this big ol' world
And I'm just itchin' to go

I might hop a plane down to Cozumel
Soak up a little sun

I might plant my feet on some sandy beach
Man that could be fun
I just know I will be somewhere else
Before this day is done
I don't know where I'm running to
But I know where I'm running from

Yeah I know where I'm running from
