Give me a one tall of water please  
It's been a while me don't  
Feel this feelin' for so long  
She a took from me boring day  
Hold me hand and we dance  
We do the reggae reggae  
The bird is singin' singin' along the way

(Chorus)  
Mi gal, lets dancing all the night  
The trouble left behind now  
Lets makin' all the dark  
Night comes alive...  
Alright...  
She love me, love me(7x) love mi gal,  
She love me, love me(7x) love mi gal,

She looks fairy  
(Soloman)  
Queen of lion land  
(Soloman)  
Love and light she have  
Wish I had a girl that  
Always hold me tight  
I wish I had a girl that always colour me life  
Love that we share we can  
Spread it out  
Oh... yeah... yeah...

(Chorus)

What's that in my head  
What's shining day  
What's that in my head  
Colour shining...

(Chorus)
