this is why, this is why, this is why I rock

[VERSE]

this is why I'm hot

I dont gotta rap

I can sell a mill sayin nothin' on the track

I represent New York, I got it on my back

niggas say that we lost it, so Imma bring it back

I love the dirty dirty, cause niggas show me love

the ladies start to bounce as soon as I hit da club

but in da Mid-West, they love to take it slow

so when I hit the club I watch them get it on da flo'

and if you need it hifey, I take it to da bay

Frisco to Sac-Town, they do it erryday

Compton to Hollywood, soon as I hit LA

I'm in dat lo-lo, i do it da Cali way

and when I hit da chi, people say that I'm fly

they love da way I dress, they like my attire

they love how I move crowds from side to side

they ask me how I do it, and simply I reply

[CHORUS]

this is why I rock

this is why I rock

this is why, this is why, this is why I rock

this is why I rock

this is why I rock

this is why, this is why, this is why I rock

we rock 'cause we fly, ya'll ain't cause ya'll not
this is why, this is why, this is why I rock
we rock 'cause we fly, ya'll ain't cause ya'll not
this is why, this is why, this is why I rock

[VERSE]

this is why I rock, catch me on da block
every other day another purse another drop
16 bars, 24 a pop
44 a song nigga gimme what you got
I'm in to drivin cars, fresh across da lot
I'm in to shuttin' stores down, jus so I can shop
if you need a bird, I could get it chopped
tell me what you need, you know I get 'em by da flock
I call my homie black, meet me on da avvve
I hit wash heights with the money in the bag
we in the big spendency, my pimpin neva a drag
find me with different women that you niggas never
had
but those who say they know me, know I'm focused on
my green
homie you come between, you better focus on da bean
I keep it so mean, the way you see me lean
and when I say I'm hot, my nigga this is what I mean

[CHORUS]

this is why I rock
this is why I rock
this is why, this is why, this is why I rock
this is why I rock
this is why I rock
this is why, this is why, this is why I rock
we rock 'cause we fly, ya'll ain't cause ya'll not
this is why, this is why, this is why I rock
we rock 'cause we fly, ya'll ain't cause ya'll not
this is why, this is why, this is why I rock

[VERSE]

this is why i rock , shorty's see da drop
ask me what i paid and i say yea i payed a guap
and den i hit da switch dat take away da top
so chicks around da way they call me cream of da crop
they hop in da car, i tell em all aboard
we hit da studio, they say they like how i record
i gave them black train, and now i did you wrong
and this is how I rock with purple popcorn
they say im da bomb, they love the way the charm
hanging
from the neck it compliments the arm, which
compliments
the ear, then comes tha gear so when i hit tha room

tha shory's stop and stare niggaz start to hate
rearrange they face little do they know i'm keeping
things buy waist side so i reply no body got ta die
similar to lil weeze cause I got tha fire

[CHORUS]

this is why I rock
this is why I rock
this is why, this is why, this is why I rock
this is why I rock
this is why I rock
this is why, this is why, this is why I rock
we rock 'cause we fly, ya'll ain't cause ya'll not
this is why, this is why, this is why I rock
we rock 'cause we fly, ya'll ain't cause ya'll not
this is why, this is why, this is why I rock
