Let's go play  
Uncle knows it  
He'll lead you into temptation  
The funny theatre is begining  
Bitten nipples  
Anus cut-out  
Vaginal pains  
Canal of urinary tract  
Chopped human bodies  
Flow-out prostitute eyes  
A piece of clitoris in the palm  
Autopsy of the genitals  
Oh, my beatiful children  
Sing together with me  
Tears and laugh  
Applause and scream  
Words are slipping out  
A look of the death  
Cool kiss  
Slavering at the mouth  
The story is finished  
Goodbye ladies
