I wasn't looking for this  
What is this?  
I don't know  
You know I was doing just fine  
By myself  
On my own  
Tell me how to  
Stop this feeling

I don't wanna fall in love  
Just wanna have a little fun  
Then you came and swept me up  
And now I'm done, so done  
Fallen madly deeply I  
Surprised myself enough to find  
That what's begun  
Is love  
And now I'm done, so done  
I'm done  
Yeah

I can't imagine right now  
Standing here  
Without you  
To think that I tried to ignore  
What I felt  
What I knew  
I could never  
Stop this feeling

I don't wanna fall in love  
Just wanna have a little fun  
Then you came and swept me up

And now I'm done, so done  
Fallen madly deeply I  
Surprised myself enough to find  
That what's begun  
Is love  
And now I'm done, so done  
I'm done  
Yeah

Thank you for not letting go  
When I said let me go  
Thank you for timing  
Thank your finding  
Thank you for not believing me  
Baby when I said

I don't wanna fall in love  
Just wanna have a little fun  
Then you came and swept me up  
And now I'm done, so done  
Fallen madly deeply I  
Surprised myself enough to find  
That what's begun  
Is love  
And now I'm done, so done  
I'm done  
Yeah

I wasn't looking for this  
And now I'm done  
I'm done
