She's real cute  
But she ain't got nothin' on me, boy  
Caught you with her now  
I'm gonna scratch up all your toys

I'm not done yet, watch what I do  
With all your clothes  
You can hide behind the telephone now  
But you gonna get it for sure

I'ma get him when I see him in person  
I'ma hurt him when I see him in person  
I'ma kick him when I see him in person  
Can't wait till I see him in person

I'ma get him when I see him in person  
I'm hurt him when I see him in person  
Better never let me see him in person  
I'ma get him, I'ma get him

Come on, girls  
Sing it, girls  
Come on  
Come right now

Run to ya momma and don't come back  
You better stay in her house  
Good sense woulda told you  
Not to let me out by now

Keep your money, you gonna need  
All the help you can get  
How you gonna explain to your boys  
That you got beat up by a chick?

I'ma get him when I see him in person  
I'ma hurt him when I see him in person  
I'ma kick him when I see him in person

Can't wait till I see him in person

I'ma get him when I see him in person

I'm hurt him when I see him in person  
Better never let me see him in person  
I'ma get him, I'ma get him

Come on, girls  
See, round here we don't do things nice and easy  
Nah, we do things rough, yeah, sing it girls  
They don't know

Hope you hear me, boy  
I won't take that, not like that, no, no  
Train that boy now

What's wrong with that boy?  
I shoulda trained him before I claimed him, yeah  
What the hell's wrong with that boy? Sing it girls

If you want that boy  
You gotta train him before you claim him, yeah  
That's right, that's what I'm talkin' 'bout  
Y'all here me out there?

I said if you want that boy  
You'd better train him before you claim him, yeah  
My man messed up, I'm tellin' you

I'ma get him when I see him in person  
I'ma hurt him when I see him in person  
I'ma kick him when I see him in person  
Can't wait till I see him in person

I'ma get him when I see him in person  
I'm hurt him when I see him in person  
Better never let me see him in person  
I'ma get him, I'ma get him
