havent done this  
since last year  
now the minutes of my life

when i was in school  
are jelouse of me  
so now they finally see  
that im famous and now i dont even

im gonna start my streetlife  
not gonna start  
i promise it wont be hard

my life was hard  
but now im gonna make up  
for it now  
i remmber papa smokin  
on the pipe now im gonna start  
my Streetlife!

im gonna start my streetlife  
right now  
im gonna show you how

im gonna start my streetlife  
not gonna start
