An I'm Looking At Boy

[Melody]

Because You Already Know

[Nicole]

We Make A Perfect Team, And Boy You Know it's True,
So If Your Wondering Here's What We Gonna Do

[All]

[Chorus]

We'll Be Buying Out The Bar, Take Over The Club,
I Got What Your Want, So Give It Up,
All My Girls Are Don's, Still It Ain't Enough,
Took Over The Club,
So Tonight We Gonna Take Over The World,
Take Over The World, Take Over The World,

[Melody]

Started Pulling Me Close, Grind On Me,
Like You Want It (Want It), My Body's Like
A Bottle So I Flaunt It

To Take Me Places Where Them Boys Hang Up

[Melody]
