too woooooooooman!
too woooooooooman!

first you start with pink
then hit the bar
get nice and rich
drive nice cars
im not alone because

im with my too women
(on my side)
im with my too women
(on my side)
im my too women
(we will collide)

second go for the gold
then shoot for top
make it hot than cold
i will not beeee stopped
im not alone because

im with my too woman
(on my side)
im with my too woman
(on my side)
im with my too women
(we will collide)

third go for the money
get pearls
get your own honey
then own the world
im not alone because

im with my too woman(x3)
(on my side)
im with my too woman
(on my side)
im with my too woman
(we will collide)

oooooh you know there with me
somone that you cant see
someone that you wanna be
too having friends is the key
im not alone because

im with my too woman
(on my side)
im with my too woman
(on my side)
im with my too woman
(we will colide)

im with my too woman
(on my side)
im with my too woman
(on my side)
im with my too woman
(we will colide)

because im with my
