PCD, T-O-P, Top Of The World  
PCD, T-O-P, Top Of The World  
(Yeah)

Gimme them bright lights, long nights  
(Uh, uh, come on, uh, yeah)  
High rise, overtime  
(Pussycat Dolls)

Gimme them bright lights, long nights, party 'til the sun  
is rising  
High rise, overtime, working 'til the moon is shining  
Hot guys, fly girls, never thought I'd say  
I feel on top of the world, I feel on top of the world, hey

I'm ready for the pressure  
The drama and the pleasure  
Got my whole life here in front of me  
I'm taking over when I hit the streets

Glamor, glitter and gold  
Nothing is stopping you, nothing is stopping me  
In this frenzy out of control  
I'ma stay in pursuit, do what I gotta do

Gimme them bright lights, long nights, party 'til the sun  
is rising  
High rise, overtime, working 'til the moon is shining  
Hot guys, fly girls, never thought I'd say  
I feel on top of the world, I feel on top of the world, hey

It's like a roller coaster  
One step away I'm closer  
I can see it there within my reach  
Won't let the city get on top of me  
(Hey you)

Glamor, glitter and gold  
Nothing is stopping you, nothing is stopping me  
In this frenzy out of control  
I'ma stay in pursuit, do what I gotta do

Gimme them bright lights, long nights, party 'til the sun  
is rising  
High rise, overtime, working 'til the moon is shining  
Hot guys, fly girls, never thought I'd say  
I feel on top of the world, I feel on top of the world, hey

I can do it on my own, you can't stop me  
Make another place my home, you can't slow me down  
The only thing I know is I won't fall  
(Let me go)  
And I have it all!  
(I have it all)

Gimme them bright lights, long nights, oh, yeah  
High rise, overtime, working 'til the moon is shining  
Hot guys, fly girls, never thought I'd say  
I feel on top of the world, I feel on top of the world

Gimme them bright lights, long nights, party 'til the sun  
is rising  
High rise, overtime, working 'til the moon is shining  
Hot guys, fly girls, never thought I'd say  
I feel on top of the world, I feel on top of the world, hey

Gimme them bright lights, long nights  
(Come on, Pussycat Dolls)  
High rise, overtime  
(Woo!)  
Hot guys, fly girls, never thought I'd say  
I feel on top of the world, I feel on top of the world, hey!
