[Missy Elliot and PCD:]

(Ladies)

So if your dude aint actin right,
you tell that dude he got to go,
If that dude be clamin that he broke,
you tell that dude he got to go
If he wants you to stay in the house everyday and
night,
you tell that dude he got to go
If he wants to run the streets,
Then you run the streets to and you tell him he got to
go

Baby, Baby somebody's gonna cry tonight,
Baby (baby), Baby (baby), but it won't be my tears
tonight

(Lets go!)

So whatcha think about that,
whatcha think about it,
So whatcha think about that, that, that (oh baby)

Tonight we're gonna switch up,
I'll do you, you do me,
Tonight your gonna stay home while I run the streets

What do you, what do you, what do you, what do you
think about that baby,
What do you, what do you, what do you, what do you
think about that?

Baby!, Imma let you play my part,
So you can feel a broken heart,
Let me just talk, make sure that you call
So I can say it

Baby, Baby somebody's gonna cry tonight,
Baby (baby), Baby (baby), but it won't be my tears
tonight

So whatcha think about that,
whatcha think about it,
So whatcha think about that, that, that (oh baby)

Tonight your gonna call me a thousand times,
Tonight I'mma make up a thousand lies

How do you, How do you, How do you, How do you feel
about that baby,
How do you, How do you, How do you, How do you feel
about that?

Baby, Imma let you play my part,
So you can feel a broken heart,
Let me just talk, make sure that you call
So I can say it!

Baby, Baby somebody's gonna cry tonight (that's
right),
Baby (baby), Baby (baby), but it won't be my tears
tonight, oh

So whatcha think about that, (oh)
whatcha think about it, (oh)
So whatcha think about that, that, that (oh baby)

[Missy:]

Okay!

Hol up, whatchu think about that,
You wear the dress and I put on your slacks,
Tonight I'm goin out and ain't comin back,
You ain't gonna get no more pussycat,
See me in the club I'm out with my girls,
Do like you do when your out with your goods,
Up in the club its just me and my girls
Play like Katy Perry kissin on girls,
Now you can't eat or sleep,
And now you in the house thinking about me,
And now I do what you do to me,
And now I love to see you weeping

Baby, Baby (baby) somebody's gonna cry tonight
(somebody's gonna cry to tonight)
Baby (baby), Baby (baby), but it won't be my tears
tonight, oh

So whatcha think about that, (oh)
whatcha think about it, (tell me)
So whatcha think about that, that, that (oh baby)

(Oooooo baby, hey)
