Ke\$ha:

Maybe I need some rehab  
Or maybe just need some sleep  
I got a sick obsession  
I'm seein it in my dreams  
I'm lookin down every alley  
I'm makin those desperate calls  
I'm stayin up all night hopin hitin my head against the  
wall

What you got boy, is hard to find  
I think about it all the time  
Im all strung out my heart is fried  
I just can't get you off my mind!  
Because your love your love your love is my drug  
Your love your love your love  
Your love your love your love is my drug  
Your love your love your love

Lady Gaga:

Stop callin'  
Stop callin'  
I don't wanna think anymore  
I got my head and my heart on the dancefloor  
Stop callin'  
Stop callin'  
I don't wanna talk anymore  
I got my head and my heart on the dancefloor

Pussycat Dolls:

When I grow up  
I wanna be famous  
I wanna be a star  
I wanna be in movies

When I grow up  
I wanna see the world  
Drive nice cars  
I wanna have groupies

When I grow up  
Be on TV

People know me  
Be on magazines

When I grow up  
Fresh and clean  
Number one chick when I step out on the scene

Be careful what you wish for 'cause you just might get  
it  
You just might get it  
You just might get it

Lady Gaga:  
Hello hello baby you called  
I can't hear a thing  
I have got no service  
In the club, you say? say?  
Wha-wha-what did you say huh?  
You're breakin' up on me  
Sorry I cannot hear you  
I'm kinda busy  
K-kinda busy  
K-kinda busy  
Sorry I cannot hear you I'm kinda busy

Just a second  
It's my favorite song they're gonna play  
And I cannot text you with a drink in my hand, eh?  
You shoulda made some plans with me  
You knew that I was free  
And now you won't stop calling me  
I'm kinda busy  
Because your love your love your love is my drug  
Your love your love your love  
Your love your love your love is my drug  
Your love your love your love

Stop callin'  
Stop callin'  
I don't wanna think anymore  
I got my head and my heart on the dancefloor  
Stop callin'  
Stop callin'  
I don't wanna talk anymore  
I got my head and my heart on the dancefloor

Be careful what you wish for 'cause you just might get  
it  
You just might get it  
You just might get it  
I see them staring at me  
Oh I'm a trend setter  
Yes this is true 'cause what I do, no one can do it better  
You can talk about me  
'Cause I'm a hot topic  
I see you watching me, watching me, and I know you  
want it

Ke\$ha:  
Because your love your love your love is my drug  
Your love your love your love  
Your love your love your love is my drug
