Amerykha

[Verse one]

Say ur da light of liberty
But u hold another man n captivity
How ur gonÂ' xplain that?
ItÂ's not a lie itÂ's da truth itÂ's a fact

Nvaded another manÂ's land
Cuz u say he had WMDÂ's n his hand
U killed da wrong man
And 4 dese thing n judgment u will stand

[Chorus]

Amerykha, Amerykha, Amerykha (Repeat)

[Verse two]

ItÂ's all pie n da sky
We donÂ't mourn when our soldiers die
ItÂ's all about da money
I donÂ't care about nobody but me
I want material things along wit my SUV

Da 1st black president never at his resident
(ha ha) but we suppose to be happy
Cuz we got a White Â"houseÂ" Knee-gro over we

Afraid of our government it operates without consent
So we only go so far with our dissent
WeÂ'll be jailed lose our jobs if we make da wrong
comment
Just ask da Dixie Chicks

My hide u wanna fry 4 stepping on your pride
TalkinÂ' about yo country
If u donÂ't like Amerykha git da hell out
Besides u donÂ't know what ur talkinÂ' about
