He taught me da game
Showed me da way how 2 hustle a dime
But my dad didnâ€™t teach me a thing
About sticking 2gether wit my own kind
What my dad taught me was 2
Use and abuse my woman all d time
He said, go out git all u can
Donâ€™t worry about da children u leave behind

Cuz we pimps, we players, we dogs
We not men (repeat)

Da reason y I go around with a frown
Is bcuz my sorry old man let me down
Breaking all d rules his father lay down
My dadâ€™s dat new knee-gro wit his knees on d
ground

Dadâ€™s dat knee-gro with his knees on d ground
(repeat)

My dadâ€™s, heâ€™s a failure
He failed momma, me and my sista
Daddy want 2 know how couldja

(cuz) Ima a pimp, Ima player, Ima dog
Iâ€™m not a man (repeat)

But dad, dis da 1st time u ever seenâ€™t me
Looka here son itâ€™s all about da money and booty
But dad, it wuz u who tricked our mom den left
Sis is pregnant, Iâ€™m n prison we had 2 raise
ourselves
Cuz u failed as a man ur a total disgrace
U help prosecute, jail me 4 an oppressive race
U fool u idiot poor xcuse 4 a man
All u taught me wuz 2 go around wit filth n my hand

Whose yo daddy
Dat knee-gro with his filth n his hand (repeat)

Da black man heâ€™s a failure
Failed momma, me and my sista
Black man tell how couldja

Failed momma, me and my sista
Black man tell how couldja
