Hey! Iâ€™m busy, hey! Iâ€™m busy (Repeat)

Heard about a thing going on
At da club every Saturday night
So I ask my Gerl if she wanted 2 go
She said aright
I heard it really git popping on da block
Around 10 oâ€™clock
I told my Gerl donâ€™t b late when I pull up at 8
Be ready out da door when Iâ€™m ringing yo gate
She said, she already knew what b going on
Wasnâ€™t gonna tell me left me hanging on
But while she had me on da telephone
Said I better put my dance shoes on

Cuz we, gonna party, gonna party

Got me so xcited couldnâ€™t fight it sheâ€™s xcited
But she just wouldnâ€™t let me know
So she put her arms around me gave me a kiss
Iâ€™m somebody and she told me 2 calm down and
take it slow

I wuz wandering (Repeating)

What could b going on n da club n side?
Finally parked my car got outta my ride
