Verse one

When the night has come  
And the land is dark  
And the moon is the only light that weâ€™ll see  
No I wonâ€™t be afraid no I wonâ€™t be afraid  
Just as long as you stand you stand by me

Chorus

And darling darling stand  
By me oh stand by me  
Just as long as you stand you stand by me  
(2nd time add) whenever youâ€™re in trouble want you  
stand

Verse two

Though this sky we look upon  
May crumble and fall  
And the mountains may crumble to the sea  
I wonâ€™t cry I wonâ€™t cry  
No I wonâ€™t shed a tear  
Just as long as you stand you stand by me
