### Rap

All you did was just lead me on  
Thatâ€™™ s why you jump up and left me alone  
You didnâ€™™ t care about what happen to us  
You got four little children that had your trust  
All you could think about is yourself  
No matter how much I begged your ears were deaf  
When I asked you if you were fooling around  
Your eyes swell up you start to putting me down  
Sayinâ€™™ what kind of man are you donâ€™™ t trust me  
true  
I got a good mind to walk out on you  
No matter what you say you know you done me wrong  
So go ahead walk out girl the thrill is gone

### Verse three

Thrill is gone the thrill is gone  
(Baby itâ€™™ s) gone away for good (repeat)  
Someday I know Iâ€™™ ll be open armed baby  
Just like I know a good man should

### Verse four

Iâ€™™ m free, free, free  
Iâ€™™ m free, free, free (now) from your spell (repeat)  
And now that itâ€™™ s all over baby now that itâ€™™ s all

over baby  
All I can do is wish you well
