Ima put a ring on it (repeat)

Verse one

The bar was empty, I was sweeping up the floor
That's when she walked in, I said I'm sorry but
we're close
And she said I know, but I'm afraid I left my purse
I said I put one behind the bar I bet it's probably
yours

Change

And the next thing that I knew there we were lost in
conversation
Before I handed her her purse
I said you'll only get this back on one condition

Chorus

And we danced, out there on that empty hardwood
floor
The chairs are up the lights turned way down low
The music played we held each other close, close,
close
(Yeah) and we dance
(2nd time) like no one ever else had danced before
I can't explain what happened on that floor
But the music played we held each other close close
close
And we danced (go to ending)

Verse two

From that moment there were never any doubt
I had found the one I had always dreamed about
Then one evening when she stop by after work
Pulled a diamond ring out of the pocket of my shirt

Change two

And as her eyes filled up with tears
She said this is the last thing I expected
And then she took me by the hand and said
I'll only marry you on one condition

Ending

This ring is for the joy you bring

You really make my heart sing (repeat)

Bass voice comes in

This ring is for you
