Frolic in the bathtub  
Putting on a show  
Smile for the camera  
Dirty fucking whore  
An innocent porn takes a turn for the worst  
Introducing shit and piss, vomit and mucus  
Is he held at gunpoint against his will?  
This fucking bitch is in control  
Smearing him with shit for a thrill  
Shove the fucking whipcream tube up his fucking ass  
Shit it out into her mouth, chocolate sundae surprise  
Rubbing it all over her face, as well as his  
I take it she's done this before, shit body painting  
Is he held at gunpoint against his will?  
This fucking bitch is in control  
Smearing him with shit for a thrill  
Shit body painting [2x]
