"Hmmm, so you're the one they're talkin' about.

Let me see if this is real."

[Q-Tip]

When I do it, eyes lookin' at me when the

music should be the only thing you see. It's the

score to a cinematic oddity. Lettin'

off shit, hit your ass repeatedly. Acro-

batic, wha. I'll pull something through your chest-piece.

Before she came home, pit-stopped breast be.

Watched the movie, and smoked a philly and

took a hit of D. She actin' all silly and...

I pull the brothers in depressed situations. When the

thang hit the 'phere, we risin' up to the occassion.

You're killin' me wit' petty, little rap beat.

'No fingerprints' is how my expert-ass be.

While I'm at it, I'ma stand my ground right

here. Spotlight, where the chicks is found.

You see this little-ass club we in? Yo, it's

mine, intertwine, wink your bun, do it to the drum.

[Jessica Rivera]

"Yeah, that's alright.

But I know you can do better than that! C'mon! C'mon!"

[Q-Tip]

page and wanna freak shit. I wanna

eat it, watch you beat it, cum

real hard than repeatin'. Yo!

The frivolous rap song he rap about

is no good. Remove all the crap about

my dogs is all in for the national.

No passion, then I guess they be cashin' out.

I keep my eyes on things and

I keep my shine on BLING!

My peoples ain't nothin' to toy wit'.

Professional, leavin' a boy stiff.

You doin' all while you're really talkin'.

You need to get gun or get walkin'.

This greedy-ass country we in? I guess it's

mine, intertwine, wink ya bun, do it to the drum.

"So, I was wondering what would happen...how would you feel if

I...came inside your bedroom, I took off all your clothes, and

took all mines off. And, uh, I got the portable DVD thing...
