Intro:

Extra, extra, read all about it!

When they're in town, all the ladies is around

What ladies? What you talkin about?

All of them ladies!

Are you talking 'bout the ladies that be chasing the
horn around?

Yeah, the big bootie that girl

Why the horn? The big bootie?

The big bootie-that girls...like that...ok

Rap1:

Ladies come around, when we're in town, ready to
get down, and check out the sound

My plane just landed, I'm already canded, some
know how we do, and still don't understand it

Girls by the two, four's in the crew, waitin to talk, to
hear the ladies moves

Girlie looking fly, she gave me the eye, but when I
wanted to talk, she act to shy

I pack a full pown, ready to get down, pull up to the
hotel, girls all around

It's KTE, double e's in the stretch, I can't recall her
name, but I think it was a ..lex

Chorus:

When we come to town, all da ladies come around

When we come to town, all da ladies come around

When we come to town, all da ladies come around

all da ladies, all da ladies

Rap 2:

Twelve midnight, we rock the sunset, a night to
remember, not a night to regret

From here to Tibet, you know we leave them wet

Iâ€™m the sergeant charge, while youâ€™re just the cadet

Jack in a fat little red Corvette, been payed dorf like I
just wanna bet,

Iâ€™ve been twisted once, but Iâ€™m not Keath Sweat, A
one man band, not a girl quartet,

Maximilian, like girls dance Brazzylian, In the next 2 or 3
years Iâ€™m still chilling

Here to entice, take girls to paradise, If youâ€™re free
for the day, then Iâ€™m free for tonight

Chorus:

When we come to town, all da ladies come around

When we come to town, all da ladies come around

When we come to town, all da ladies come around

all da ladies, all da ladies

Rap 3:

Some play games, but I donâ€™t say names, If I wasnâ€™t
KT, would things be the same?

I wanna get with you cause youâ€™re a fine-ass dad, I
wanna get with you, so I can run games

Eastcoast, Westcoast, weâ€™re gettin down (when we
come to town, all da ladies come around)

If you never did it before, Iâ€™ll show you how (when we

come to town, all da ladies come around)

When we come to town, all the ladies come around,
just to get down, and listen to the sound

(when we come to town, all da ladies come around)

all da ladies (all da ladies) , all da ladies (all da ladies)

keepin it real, shorty start to sing (when we come to
town, all da ladies come around)

all around the world it's the same old thing (when we
come to town, all da ladies come around)

sorrounded by ladies after every show (we will
understand a chill, but yo, we gotta go)

when we come to town, all da ladies come around, all
da ladies, all da ladies
