Baby weâ€™ ve been down this road before,
You know how it ends, I canâ€™ t take it no more
O I feel so lost, dazed and confused

Full of sorrow and bad news
Crying my heart out and singing the blues

O but nothing, nothing will stop me now, while I am
down on my knees
Crying out to the Lord please help me overcome all my
disease
Singing nothing butâ€¦ Glory, Glory Hallelujah

Hallelujah! Hallelujah!
Hallelujah! Halleluuuu Hallelujah!

There was a time when I would let you know
What's really going on inside of me andâ€¦ deep down
below
I guess Iâ€™ ve had too much pride to really fall down
on my knees
Begging The Lord please forgive me

Do You remember the times when I reallyâ€¦ loved you?
And The Holy Word moved inside me too?
Yes with every single breath that we drew was Glory,
Glory Hallelujah

Hallelujah! O'! Hallelujah!
Hallelujâ€™ ah! Halleluuuyah! Hallelujah

Maybe thereâ€™ s a God above.
As for meâ€¦ all Iâ€™ ve ever seemed to learn from
love,
Is how to hurt someoneâ€¦ that I really loved.

You see for me itâ€™ s not a complaint that I hear HIS
Name.
Itâ€™ s not the laughter of someone who claims victory
through the pouring rain.
No, Itâ€™ s a cold, dark and lonely Glory, Glory
Hallelujah!

Hallelujah! O! Hallelujah!
Hallelujah! Halleluuyah! Hallelujah!

Baby I am sorry I have let you down,
That I have broken your trust and confidence,
O God hear me now for I cry out for your deliverance

And now, after all this time I have finally come clean
And told you the complete truth,
I didn't come all this way to deceive God, myself
and you!
Yeah, and even though it all went wrong!
I'll stand right, right before the Lord, The Lord of this
Song!
With nothing on my tongue, but Glory, Glory Hallelujah!

Hallelujah! O! Hallelujah!
Hallelujah! Halleluuyah! Hallelujah

I did my best to lay all my shame to a final rest.
Even when I've been put to the test,
Hoping "One Sweet Day" I will be blessed.
Finally set free from all my addictions and disease for
all Eternity
O Thank God, while I am down on my knees that I am
Delivered from my insanity, poverty and misery

That I might hear the Lord say to me, "My son job
well done
For you have overcome Satan and all your demons
through
My Saving & Glorious name, Jesus Christ-Glory
Hallelujah!

Hallelujah! O! Halleluuyah!
Hallelujah! Halleluuyah!
Hallelujah! Halleluuu Yah!...
Hallelujah! O! Halleluuu Yah!
