"Too Late"

Visit "[Too Late](#)" on MotoLyrics.com

imagine waking up someday
knowing you made a mistake
and there is nothing you can do
or nothing you can say
and everything you had before
the love ain't there no more
you let it walk through the door
leaves you with nothing to live for

i can feel the rain
falling down on me
since you left me
i had nothing but rainy days
i can feel the pain (i can feel it)
(?) back again
and girl i know that it sounds silly
but i really miss you

even though i miss you (i miss you)
wish i could kiss you (kiss you)
even though it's too late
wanna say that i'm sorry baby
even though i miss you (i miss you)
wish i could kiss you (kiss you)
even though it's too late
wanna say that i'm sorry baby

all i can do is contemplate
now i'm sitting here all alone
and i got nobody to hold
and you won't even answer your phone
and i know you probably hate me right now
but tell me are you really happy
if you see me
would you walk straight pass me
like we never met at all
would you turn around
so i can see you smile
one last look at your face
will take me back to a place
where i use to be

when it was just you and me
and girl i know that it sounds silly
but i really really miss you

even though i miss you (i miss you)
wish i could kiss you (kiss you)
even though it's too late
wanna say that i'm sorry baby
even though i miss you (i miss you)
wish i could kiss you (kiss you)
even though it's too late
wanna say that i'm sorry baby

ooh love i'm sorry for everything (everything)
that is done to you, what its done to me (everything)
ooh love i'm sorry for everything
that is done to you, what its done to me

even though i miss you (i miss you)
wish i could kiss you (kiss you)
even though it's too late
wanna say that i'm sorry baby
even though i miss you (i miss you)
wish i could kiss you (kiss you)
even though it's too late
wanna say that i'm sorry baby

even though i miss you (i miss you)
wish i could kiss you (kiss you)
even though it's too late
wanna say that i'm sorry baby
even though i miss you (i miss you)
wish i could kiss you (kiss you)
even though it's too late
wanna say that i'm sorry baby

i miss you..
