Are you ready?  
Here we go:

Slow, Slow  
Quick-Quick, Slow  
Slow, Slow  
Quick-Quick, Slow

Countdown it's getting near the flight time  
Night stars are shining in my eyes  
Mind says I'm gonna to be the first one  
To dancing be-bop in the skies

Dancing in Heaven  
I never thought  
I never get my feet this far (orbital be-bop)  
Dancing in Heaven  
I never thought  
I never get my feet this far (orbital be-bop)  
Kick it out!

Slow, Slow  
Quick-Quick, Slow

I'll be the first to bossa nova  
Ten thousand miles above L.A.  
Boogie my way beyond the radar  
I'll bring the jive to outer space

Dancing in Heaven  
I never thought  
I never get my feet this far (orbital be-bop)  
Dancing in Heaven  
I never thought  
I never get my feet this far (orbital be-bop)

Hey, here I am  
I hear the universe sing the celestial swing  
I, I'm not alone  
Are you receiving me clear?  
There's others out here
