What am I to do? 2001 all rights reserved, Damien Davis.

What am I to do with these feelings that I feel? And how  
am I to know if your love

I shouldn't steal, love it should be fearless, I wish it  
could tearless

And I know it can be.

If you don't try now you know it could be wrong,  
remember me love when you

Count the stars above, remember how it was, when we  
were both as one locked so

Tight together.

Am I supposed to keep looking at the stars above,  
denying how I feel?

Saying it isn't real, when I know it to be true and how I  
do is cause I feel so blue

Without you?.

With you fine red hair and your eyes full of fire with you  
I couldn't hope

To get much higher. Love it should be fearless I know it  
can be tearless if

You just stay with me.

Am I supposed to keep looking at the stars above,  
denying how I feel?

Saying it isn't real, when I know it to be true and how I  
do is cause I feel so blue

Without you.

What am I to do with these feelings that I feel? And how  
am I to know if your love

I shouldn't steal, love it should be fearless, I wish it  
could tearless and I know it can be
