[Madonna]

Everybody comes to Hollywood  
They wanna make it in the neighbourhood  
They like the smell of it in Hollywood  
How could it hurt you when it looks so good

[Missy Elliott]

Ohh, who that be, Misdemeanor on the M-I-C  
I got the fresh kicks, thick hips, best believe me  
And Madonna bout to hit em like a tag team  
You gonna love us in our Gap Jeans  
We walk by, people ask 'where you get them jeans'  
On fire call emergency, G-A, capital P  
You know how we, and let me go and do my thing  
I'll bring ya hard on the track if ya know what I mean  
Hollywood and New York, Madonna is the queen  
And Misdemeanor say Gap is the best

[Madonna]

Get into the groove, let me show you some move  
Best to take it from me, yeah  
Get up on your feet  
Let me step to the beat  
Show you how it should be  
Get into the groove  
Let me show you some move  
Best to take it from me  
Get into the groove
