Laying alone
Hearing your voice from the pouring rain
Missing your touch
Will it never ever be the same again?

Would I be true to you?
Should I belong to you?
I'm holding on
It's all because of you

Walking alone
Calling your name in the cold hard wind
Looking for love
Will it never ever be the same again?

Would I be true to you?
Should I belong to you?
I'm holding on
It's all because of you

I don't wanna be alone
I just wanna hold you once again
There's always so much more
I need to say to you
I don't wanna be alone
I just wanna hold you once again
The only thing I never wanna be
Alone

The moon tonight
The train is running out from the station
Leaving tonight
Alone on the highway

Would I be true to you?
Should I belong to you?
I'm holding on
Together we'll be strong
No..

I don't wanna be alone

I just wanna hold you once again
There's always so much more
I need to say to you
I don't wanna be alone
I just wanna hold you once again
The only thing I never want my baby, never ever

Alone
I just wanna hold you once again
There's always so much more
I need to say to you
I don't wanna be alone
I just wanna hold you once again
The only thing I never wanna be
Alone
