QED-Island

(Piano Plays)

(Male)

If i walk away like i dont care
we'll magically appear
o i'd wipe away all your tears

o the feeling in the darkness
o i swear
you feel, so real
please touch me if you're really there

(Female)

let me tell you how i feel,
never felt the love so real,
like an island from a cloud,
you've ever pictured me some how,
i was yours and you were mine,
even love would play some time,
like an island in the sea,
seperating in the sea

(male)

now say you love me like you do,
and all the things i wanna hear,
o all the things you whisper in my ear,
if all the things i lie behind you,
show me how to work this thing you're here, right now,
and i cant even touch your hand

(female)

let me tell you how i feel,
never felt the love so real,
like an island from a cloud,
you've ever pictured me some how,
i was yours and you were mine,
even love would play some time,
like an island in the sea,
seperating in the sea
is there a chance for love, like i've been dreaming of,

dreaming about why you and me are gone,
so im holding onnnnn.....

let me tell you how i feel,
never felt the love so real,
like an island from a cloud,
you've ever picturedme some how,
i was yours and you were mine,
even love would play some time,
like an island in the sea,
seperating in the sea

seperating in the sea
