

## Quarantined Past "Eve"

Walk over that guy  
Who looks you in the eye  
He only wants a shot  
Think it's deja vu  
But you aren.t sure  
If you even believe in that  
He softly takes your hand  
Your mouth is full of beer  
And you want to spit it out  
You gotta breath in deep  
He doesn.t realize  
What kind of past you.ve had

Because I know if you had a knife  
You.d pick out his eyes  
And scream "no, I.m not fine"  
And honey I know it.s weird  
To be afraid of what god made  
But you.ve never met an adam
