(Goodbye)
Wild goose or Holy Grail
(Goodbye)
Red herring or the great white whale
(Goodbye)
Not many live to tell the tale
(Goodbye)

(Goodbye)
Little things that just don't matter
(Goodbye)
Still can get me as mad as a hatter
(Goodbye)
Hot shit on a silver platter
(Goodbye)

(Goodbye)
I let go and I float away
(Goodbye)
A million miles in a couple of days
(Goodbye)
I just came back here to say
Goodbye
(Goodbye)
