It's a kind of magic  
It's a kind of magic  
A kind of magic  
One dream, one soul, one prize, one goal  
One golden glance of what should be

It's a kind of magic  
One shaft of light that shows the way  
No mortal man can win this day

It's a kind of magic  
The bell that rings inside your mind  
Is challenging the doors of time

It's a kind of magic  
The waiting seems eternity  
The day will dawn of sanity  
Is this a kind of magic

It's a kind of magic  
There can only be one  
This rage that lasts a thousand years  
Will soon be done

This flame that burns inside of me  
I'm here in secret harmonies  
It's a kind of magic  
The bell that rings inside your mind  
Is challenging the doors of time

It's a kind of magic  
It's a kind of magic

The rage that lasts a thousand years  
Will soon be, will soon be  
Will soon be done

This is a kind of magic  
There can be only one  
This rage that lasts a thousand years  
Will soon done, done  
Magic, it's a kind of magic

It's a kind of magic  
Magic, magic, magic, magic

Hey, ha ha it's magic
