Action

This street honey is a mean street

Living in thsi street honey needsa a mean

Streak

Weve got criminals living in this street

But theres a heartbeet pulse that keeps on

Pumping

Like a jukebox playing the same dead record

Or a radio in the corner keeps blaring

I gotta feeling, this world is using me

This town honey is a dead town

Living in this town honey is a showdown

But theres a heartbeat pulse that keep in

Pumping

Some sunshine ray through a crack in a

Shutter

Or a sight of a light at

The end of a tunnel

Still theres a feeling, this world is using me

Action this day

Action this night

Weve gotta learn to learn to live to love

You cant say it aint right

Action this day

Action this night

Youve got the power, youve got the power

Youve got the power to love and to live

You cant say it aint right

Your mind honey is a bleak place

Living in your minds living in a bleak place

Your mind is coming from a rat racce

But theres a heartbeet pulse that keeps on

Pumping

Like a jukebox playing the same dead record

Or a radio in the corner keeps blaring

I gotta feeling that just wont quit, this

World is using me

Action this day

Action this night

Weve gotta learn to learn to live to love

We cant say it aint right

Action this day

Action this night  
Youve got the power, youve got the power  
Youve got the power to love, to live  
You cant say it aint right  
Action  
Action this day
