So all you people give freely
Make welcome inside your homes
Thank God you people give freely
Don't turn your back on the lessons of the Lord

All prime ministers and majesty around the world
Open your eyes look, touch and feel
Rule with your heart, live with your conscience
Love, love
Love, love and be free
We're all God's people

Gotta face up
Better grow up
Gotta stand tall and be strong
(Gotta face up)
(Better grow up)

Gotta face up
Better grow up
Gotta stand tall and be strong
(Gotta face up)

(Better grow up)

We're all God's people
(Gotta face up)
(Better grow up)

Yeah - yes there was this magic light
I said to myself
I'd better go to bed and have an early night
Then I, then I, then I - then I went into a dream

Rule with your heart and live with your conscience

We're all God's people give freely
Make welcome inside your homes
Let us be thankful, he's so incredible

We're all God's people
We're all God's people

We're all God's people
We're all God's people
