Wow

I gotta little story I wanna tell you now, listen up

Ah, there she stood in the street, yeah
Smiling from her head to her feet
I said a hey, what is this, now baby, now
Maybe she's in need of a kiss, uh huh

I said a hey, what's your name baby
Maybe we can see things the same
Now don't you wait, oh, hesitate
Let's move before they raise the parking rate, oh give it
to me baby

All right now, wow
Baby it's a all right now, you're making me feel alright
All right now, wooh
Baby it's a all right now
Now wait a minute, let me say, I got a little more, wow,
yeah

I took her home to my place
Watching every move on her face
She said look, what's your game
Are you trying to put me in shame

I said slow baby, don't go so fast
Don't you think that love can last
She said love, Lord above
Now you're trying to trick me in love

All right now, give it to me
Baby it's a all right now
I'm not talking 'bout tomorrow
All right now, wooh
Baby it's a all right now

Oh, look out baby, baby
Wow
Uh, huh
Oh, here comes Danny boy

Give it to me, give it to me, give it to me, give it to me
Yeah
Hey
Wow
Yeah

Come on
Oh, I feel it now
Takin' me higher
Oh, you got the rhythm
Takin' me higher
Take the people higher, oh
Alright
Look out people, here comes the chorus now
